Your sponsorship of Taste of Texarkana provides the most basic need – food – to those that need it. In 2016, we provided over 3.3 million pounds of food to over 60,000 individuals in our region. Over 700 school children went home with a backpack of food each Friday to get them through the weekends. Thousands of seniors were able to get hot meals and use their limited funds to purchase their medications. Thousands of unemployed and underemployed families received help with their groceries so they could keep the heat on during the winter.

Thank you for your consideration. We hope to see you there!
